LUCKY REDDY

+91 86395 05553 | luckymi11lite@gmail.com | GitHub | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

I build interactive and engaging 3D websites and mobile applications, using both native and cross platform frameworks, while also actively contributing to college clubs and teams, where I have gained experience in communication, teamwork and coordination. I am currently exploring Linux, networking tools, scripting and system configuration.

TECHNICAL SKILLS

Programming Languages: Python, Go, C/C++, Kotlin, Bash
Web Development: HTML, CSS, JavaScript, Node.js, Express.js, Gin(Go), REST APIs, React (Familiar)
App Development: Jetpack Compose (Native Android), Flutter (Familiar)
Databases: PostgreSQL, SQLite, Supabase
Tools & Platforms: Git, GitHub, GitHub Actions, Linux (Arch), Neovim, Cloudflare
Design & Creative Tools: Canva, DaVinci Resolve, Blender

EXPERIENCE

Web Development Intern | *DevIT* | *Verify*
Worked as a part of development team for HippocampOS, a personal lifestyle management platform managing areas such as finance, health and habits, where I contributed to responsive frontend development and integration with backend APIs.

Graphic Design & Digital Marketing Contributor | *Beige and Black, Kurnool (Clothing Brand)*
Designed promotional posters and social media content using Canva, Figma and Davinci Resolve, while contributing to digital marketing and strengthening the brand's social media presence.

PROJECTS

Training & Placement Cell, GPREC Website | *React, Cloudflare (Workers, D1, KV), Supabase* | *Live Site* | *GitHub*
Developed and deployed a centralized platform for the college's Training and Placement Cell, with serverless architecture by Cloudflare Workers, D1, KV. Featuring role based authentication, Instagram Graph API analytics, Supabase image storage, admin dashboard with traffic analytics, and automated CI/CD through GitHub Action.

Personal Attendance Tracker | *Flutter, Dart, Shared Preferences* | *GitHub*
Built a cross-platform attendance tracking application that enables students to track subject wise and overall attendance percentages, maintain a 15-day attendance history, upload timetables and store data persistently offline using SharedPreferences.

Personal Finance Manager | *Kotlin, Jetpack Compose, RoomDB* | *GitHub*
Created a finance tracker that models transactions as nodes in Git trees for balance and spending. Implemented RoomDB for local storage and notification parsing with weighted keyword scoring to categorize transactions.

POSITION OF RESPONSIBILITY

Training and Placement (T&P) Cell, GPREC | *Placement Coordinator*
Coordinated Internship and Placement drives by serving as point of contact between students, recruiters, HR's, faculty.

Center for Innovation & Entrepreneurship (CIE) Cell, GPREC | *Student Coordinator*
Led Entrepreneurship focused events and initiatives by connecting with startups, entrepreneurs and organizations.

EDUCATION

G. Pulla Reddy Engineering College (Autonomous), Kurnool — September 2023 - 2027*
Bachelor of Technology in Computer Science (Data Science) — **CGPA: 7.82**

CERTIFICATIONS & INTERESTS

Certifications: Python, Java & HTML (IIT Bombay), Entrepreneurship (NPTEL)

Languages: English, Hindi, Marathi, Telugu
Interests: Reading, Writing novels, Graphic design
